Custom Sheets

Please provide the following details:

- 1) measure width (A), length (B), mattress thickness (C);
- 2) print out [Mattress Corner Diagram](#) and follow the easy directions to determine your mattress corner size (D);
- 3) select sheeting color from swatches on [Motorcoach Custom Bedding](#) page (click on image to enlarge) or, if providing sheeting, please indicate. **Note: if providing own sheeting it must be flat sheet not fitted and must be at least 4" longer on each side than sum of "C+A+C" in width as well as "C+B+C" in length.**

Enter measurements either online at our [Motorcoach Custom Bedding](#) page, or print out this form, provide information below and fax to us at (541)998-6708.
